Hospitality Week Terminated With Praline Day Fri.

Bay St. Louis' "Hospitality Week" came to a close last Friday as the local praline industry took over and played host to passing out-of-state motorists.

Earlier in the week, motorists driving through Bay St. Louis were stopped and invited to become guests of the city. They were treated to free meals, their cars were serviced, and they received gifts and were taken on tours of the city.

Two praline booths were erected, one near the Bay Bridge and the other on Highway 90 at Dunbar Ave. Deputy Sheriff Sam Peterson and State Highway Patrolman William Kenney stopped out-of-state motorists and escorted them to the booths. There they were met by Misses Patsy Farve, Catherine Bengna, Jan Hill, Dianne Seuzeneau, Ann Hubbard, Marlene Egbert, Jeanne Seuzeneau and Hancock County's "Miss Hospitality" Miss Karen Kergosien.

The young ladies chatted with the visitors and handed out free pralines. Praline manufacturers contributing to the project were Brenda's Candy Shop, Mary Ann's Candy Shop, Joyce's Candy Shop, Katie's Candy Shop, Bess's Candy Shop and the Highway Gift Shop.

Praline Day was coordinated by the Chamber of Commerce and was under the supervision of the secretary, Mrs. Mabel Green.

Shown above are scenes from "Hospitality Days" held last week when out-of-state motorists became guests of the city. Motorists were stopped Wednesday and treated to meals and free servicing of their autos, and taken in a tour of the city. On Friday, the praline industry took over, and free pralines were distributed to tourists.

City Council Is Considering Half-Cent Municipal Sales Tax

BLOOD BANK RESPONSE IS QUICK IN SUPPLYING BLOOD FOR RESIDENT

Quick response by the Hancock County Blood Bank, and subsequent action in providing processed blood for local use was evidenced recently when an urgent appeal was made.

A local physician, treating a patient in King's Daughters Hospital on the night of July 3, called George Heitzmann for a rush delivery of processed blood stored for his county in Foundation Hospital, New Orleans.

In less than an hour and a half following the call to Heitzmann, the blood was delivered to the local hospital.

Judge Nolius Rhodes made contact with New Orleans and the Louisiana State Highway Patrol relayed the blood to the Mississippi State line where it was picked up by Mississippi Highway Patrolman Bill Kenney and delivered to the hospital.

Speedy delivery of the blood probably meant life to the patient.

Later in the same week three more pints of processed blood were required for local use, and were quickly brought from New Orleans to Bay St. Louis.

Since the beginning of operations last fall, the Hancock County Blood Bank has furnished approximately 141 pints of blood locally.

Heitzmann, newly elected chairman of the blood bank, said there probably would be another drawing in September, and sincerely hopes the response would take stimulus from the fact that when such blood is needed for the local people it is available and quickly obtainable.

MRS. JANICE YANCEY TO PRESENT BOOK REVIEW

The book review to be given by Mrs. Janice Wallace Yancey on July 28 will be held at the Episcopal Parish House on Carroll Ave. instead of the Memorial Library as first planned, because the Parish House is air conditioned.

Mrs. Yancey will review "Mary Anne," the newest best-seller by Daphne du Maurier. The book is a semi-historical novel whose heroine is one of the du Maurier less respectable ancestresses, the fascinating Mary Anne mistress of the Duke of York, whose unscrupulous connivings set all England agog two centuries ago.

No one is better equipped to do full justice to this absorbing story than Mrs. Yancey, whose knowledge of English and understanding.

A graduate of Newcomb College, she has done graduate work at Tulane and Oxford Universities. While studying in England she grew to know the country and its people, and her reviews sparkle with that added brilliance which comes of such an experience.

Tickets will be sold at the door. Admission is \$1.00.

A resolution to levy a one-half cent municipal sales tax is being considered by the City Council, Mayor John Scaffide and Commissioner Cyril Glover told the EAGLE this morning. The one-half cent would be added to the present two-cent sales tax now in effect, but would be returned to the city.

With the loss of funds from the state which were previously used to run the city, either the sales tax must be levied or the deficit made up by an ad valorem tax hike.

Bay St. Louis paid \$134,262.12 in 1953 revenue, with an anticipated 20 per cent return of that total bringing in approximately \$26,862.49, according to a letter to the city from the State Tax Commission.

The city officials said the municipal sales tax was authorized under H.B. 359 of the 1954 Legislature. To be put into effect, they explained, a resolution must be published 4 weeks with an election following in 30 days.

The officials said reports that approval of 60 per cent of the qualified voters was required to pass the resolution were erroneous. They stressed the fact that approval of 60 per cent of "votes cast" was required to authorize the tax.

Mayor Scaffide and Commissioner Glover said the money would be earmarked for schools, waterworks and operation of the city.

The Mayor and Commissioner pointed out that there had been no city ad valorem tax raise in 6 years, but if the sales tax failed to be approved a boost in ad valorem taxes would be necessary.

TO CHECK ON LOCAL DRIVERS' LICENSES SAYS CHIEF SAUCIER

A checkup on local drivers' licenses will be made soon, Chief of Police Alcino Saucier said this week.

The effort to check licenses of local drivers is being made in compliance with a request from the State Department of Public Safety, the chief said.

A recent state survey revealed that thousands of Mississippi motorists are not properly licensed.

WAVELAND MAN IS SERIOUSLY BURNED

Capt. Cassard, retired New Orleans Police Captain, was seriously burned about 2:30 this afternoon at his home, 130 Sobral St., Waveland.

He was burning trash near a Butane gas tank when the tank exploded.

He was given emergency treatment at King's Daughters Hospital and then rushed to New Orleans.

Fresh Water Fishing Line Moved 150 Yards North

In deference to a storm of protests, the Fish and Game and the Seaford commissions voted to change the proposed dividing line for fresh and salt water fishing along the coast.

The new line was set Tuesday as 100 feet north of bridges at Bay St. Louis, Biloxi and Pascagoula. The line previously had been designated as 50 feet south of US 90. The change was made at a hearing held at the Bay St. Louis courthouse.

Resident and non-resident fishermen are now continue to fish from the Bay bridge without a fishing license. Mississippi does not require a fishing license to take salt water fish species.

Only two groups supported the boundary which the commission had set earlier and which was to go into effect Aug. 1: the Biloxi Hunting and Fishing Association and the Harrison County Sportsmen's League.

Among local groups protesting the line were the City Council, the Chamber of Commerce and the American Legion.

Local Youths Are Brought Before Mayor Today On Firecracker Violations

Two Bay St. Louis youths were brought before the Mayor this morning charged with the illegal shooting of fireworks.

The boys were released after being admonished by Mayor Scaffide and warned against further violations.

Mayor Scaffide said fireworks were illegal except for 10 days prior to and including the 4th of July, Christmas and New Year's.

DR. KEEFE NAMED VICE PRESIDENT OF BAY LITTLE THEATRE

Appointment of Dr. Harold Keefe to the post of vice president of the Bay St. Louis Little Theatre was made this week by Erle Kirkpatrick, president of the theatre.

Dr. Keefe will fill a vacancy created by the resignation of C. D. Blair Sr. Mrs. Blair, who has served as production chairman, also tendered her resignation, but this vacancy is as yet unfilled.

Mr. and Mrs. Blair resigned due to the fact that they have moved to New Orleans.

The next play scheduled for the theatre is "Jane" and will feature an excellent cast, under the direction of Barbara Quigley.

TAX ROLLS NOW OPEN

The Board of Supervisors announced this week that personal property assessment rolls of the county have been equalized and are open to inspection.

Any objections to the rolls or assessments should be made in writing and filed with the clerk of the Board of Supervisors on or before August 2, 1954.

D. E. Wilcox is shown in his new establishment, Wilcox Electric and Appliance Co., which had its grand opening last Saturday on Coleman Ave. Waveland. In connection with the opening of the store in its new location, Wilcox is offering a prize of a new "Thrifty 30" Electric range to the person who best completes the sentence "I would like to have a Frigidaire Electric range in my kitchen because..." The contest will be judged by a panel from Frigidaire Corp. in New Orleans.

PHILLIPS 66 STATION HAS GRAND OPENING

Grand opening of Curet's 66 Service Station was held Saturday, July 19 at the new building on Highway 90 and Main Street.

Completely modern and efficiently staffed, this new station offers quick and efficient service to motorists.

Mr. Curet said that on opening day last Saturday among the many other items sold 3300 gallons of gasoline were supplied customers.

POST OFFICE STEPS TO GET HAND RAILS

Postmaster Fred Herlihy announced this week that bids were being received for the construction of hand rails for the steps of the post office building.

Herlihy said there has been a need for such support for many persons entering the building, and for some time a request has been in the postal department to allow these to be installed for both safety and convenience.

Recently the request was granted, and upon receipt of all bids the contract will be let.

Russell Smith, small son of Mr. and Mrs. W. W. Smith of Clermont Harbor, was taken to Memorial Hospital, Gulfport Tuesday morning.

Contestants In 'Everybody Wins' Subscription Contest Battling Hard For Big Top Prizes

GO-GETTERS FORGING AHEAD AS CONTEST NEARS END

Like a whirlwind all the more exciting because so sudden and spectacular, Horatio Farve furnishes the brief sensation this week by casting hundreds of thousands of votes in one fell swoop thereby springing from second place to "top spot" in the big "Everybody Wins" prize subscription contest.

Also casting a huge block of votes at this count, but not quite sufficient to put him in the lead, Keith Tonkel is just a pace behind, closely followed by Mrs. Rita Necaize and Miss Barbara Ann Villere.

Well up in the thousands and with an easy striking distance of first place come Miss Barbara Ann McArthur and Miss Marie Saucier, followed by Mrs. W. W. Smith and Mrs. Vital Bourgeois.

It will pay to keep your eye on these aggressive contenders for, high-esteem and attendant award—that beautiful new 1954 Ford Sedan worth \$2,721.30.

Now that the first period of this exciting race has passed into history the entire population of this area and elsewhere is watching results of the "second heat" with bated breath. The elimination process—sifting the ambitious ones from among those who apparently lack this element so necessary for success in any endeavor—has all but taken place, and now the real "go getters" will fight it out for the truly magnificent prizes soon to be awarded.

Hurry, hurry, hurry!

Tension is mounting as every hour that passes brings harder working contestants in the contest closer to prizes, headed by that beautiful Ford Sedan.

A QUEEN once offered all her worldly possessions for something which she considered more precious than gold. Everybody has this valuable substance. It cannot be bought, sold or exchanged, yet it is the most precious commodity in the world and may decide who wins first prize in this now-famous Hancock County Eagle subscription contest.

It is a little thing, but it has changed the tide of battles, toppled kingdoms, altered history.

Queen Elizabeth didn't realize the value of it either until she was about to be deprived of it forever. Then, her last words were, "All my possessions for a moment of time."

In slightly over two weeks from today, many contestants, like Queen Elizabeth, will beg for another moment of time. They will have realized after it is over, that every moment of time up to the final two weeks of the contest could have been utilized to increase their standing in the contest. The winner will be the person who used these few remaining days to the greatest advantage.

The race is close! The final outcome will be a real test of last minute "hustling." Go after those subscriptions; tap every source you can think of. In a close race the little things count—a few moments wasted, or the difference in a few thousand votes can be a deciding factor.

"Many of us spend half our time wishing for the things we can't have if we didn't spend so much time wishing for them."

Lots of people have dreamed how nice it would be to call on their friends in a shiny new Ford. They are the "wishers." But somewhere in this area, there is a person who will make his or her dream come true—who will win the Ford. He or she is the supreme go-getter—the sort of person who realizes the value of time.

Nothing is longer, since it is the

measure of eternity.

"Nothing is shorter, since it is insufficient for the accomplishment of your project."

"Nothing is more slow to him who expects; nothing more rapid to him who enjoys."

"All men neglect it, all regret the loss of it; nothing can be done about it."

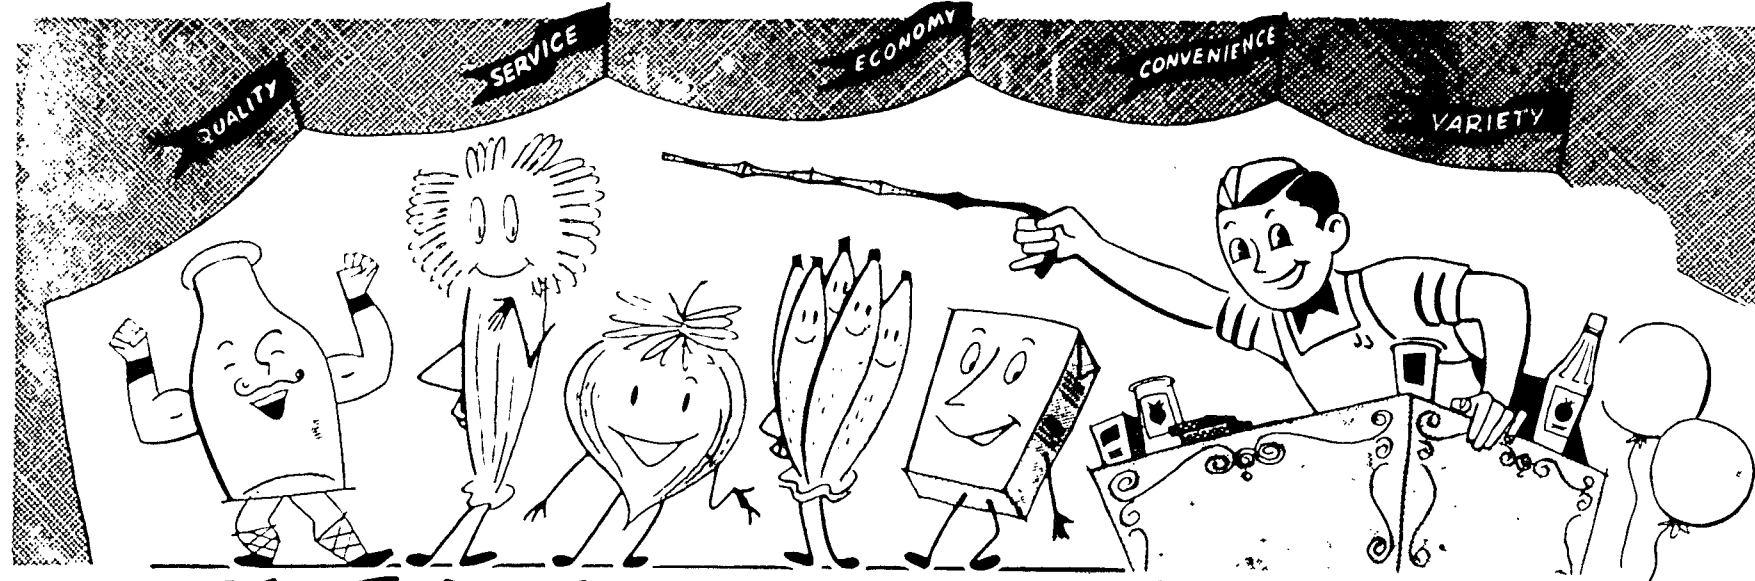

The best way to win a friend is to be one!

"Time is man's most precious asset." Friends of contestants, you have of course wished your favorite well. You have encouraged him or her in a small way but have you extended your subscription to the "full limit" in helping them realize their highest hopes and ambition?

WAVELAND WANDERINGS

BY GEORGETTE HALL

Congratulations are extended to Sidney Bourgeois of Waveland. He was recently elected to the office of Post Commander of the Clement Bantemps Post 139 of the American Legion. Everyone who knows Sidney appreciates the responsibility he has assumed in this new job. He has always been interested in the fine work done by this organization and everyone feels that they will continue to progress under his leadership. Best wishes are extended to him and to the American Legion in the work that they ahead.

Mrs. Marion Elliott was honored by being elected president of the Ladies Auxiliary of the American Legion. This office is one of importance and Mrs. Elliott has the confidence and full support of her group. Congratulations to both of these leaders in our community.

Wilcox Electric Co. had a gala opening Saturday in their new quarters on Coleman Ave. The building and the Wilcox display are indeed a credit to the town of Waveland. This column extends best wishes for success.

Sympathy is extended to Mr. and Mrs. John L. Sykes of New Orleans and Mrs. Harold Mulderth of Waveland due to the passing of little Ivy Anne Sykes, age five years. Ivy was the daughter of Mr. and Mrs. Sykes and the niece of Mrs. Mulderth. The little girl is sadly missed by her family and her two sisters, Joanne and Eileen Sykes.

Mr. and Mrs. C. J. Smith and children of New Orleans are guests this week of Mr. and Mrs. Frank Fenestri and family.

Mrs. Clifton Salvant and daughter, Brenda, of New Orleans, and Mr. and Mrs. H. Willard and daughters, Linda and Lee Ann, also of New Orleans, are on route to Florida for a vacation. Mr. and Mrs. Salvant have been occupying their summer home on Seal's Ave. for the last few weeks.

Mrs. N. B. Hall, Lynne Hall and

Mrs. T. H. Brockman Sr. were dinner guests last week of Mr. and Mrs. Albert Douvan Sr. in their home on Pichebup Place. The Douvans left the next day for California and the West for a vacation.

Guests of Mr. and Mrs. George Stelz and Mr. and Mrs. Walter Carver Sr. Sunday were Mr. and Mrs. Elmer Carver and son, Elmer Jr., and Miss Lois Carver and Harold Carver, all of New Orleans.

Mr. and Mrs. Fred Hoch and son, Fred, of New Orleans, are vacationing in the Vulture cottage on Jeff Davis Avenue.

Mrs. Harry Crane of New Orleans visited the Hall and Brockman families Saturday. She also was a guest of Mrs. Josie Rooney.

Mrs. Crane was joined during the week end by her husband, Dr. Harry Crane, and her two sons.

Those of you who see the re-release of "Gone with the Wind" will see Mrs. Crane's other son, Fred. He played the part of one of the hand-some twins who counted. Scarlett O'Hara.

Mrs. Crane will leave in two weeks for Hollywood for a visit with her son and his family.

Mrs. Brewster Muller and her infant son, Philip Deville, are now at home. The newborn weighed eight pounds seven ounces at birth and is steadily gaining, according to his proud parents. Infant Philip was christened at noon Sunday in the St. Clare's Catholic Church on Beach Boulevard. Sponsors were Mrs. John C. Wolfe and James T. Wolfe Jr.

Mr. and Mrs. Paul Haggerty and Mr. and Mrs. La Violette are enjoying their vacation in their cottage "Cricket House" on Jeff Davis Ave. Their guests during the week end were Mr. and Mrs. Elden LeCompte and children, Susanne, Wayne and Leonard; Mr. and Mrs. Charles Guilford and son, Melvin; Mr. and Mrs. James Wedlock and daughter, Marie; Mr. and Mrs. Gregory Bruno and daughter, Lisa; Mr. and Mrs. Neville LaViolette and son, Michael; and Miss Penny Caramo.

Mr. and Mrs. Norman Hall and daughter, Lynne, will leave Sunday for

"The Role of Transportation in Mississippi's Future," will be the subject of the address given by Arthur C. Carlsson, Manager of Press Relations for the Illinois Central Railroad, at the Mississippi Workshop on Economic Education on July 27. The Workshop is being held at the University of Mississippi and will continue through July 31.

Mr. Carlsson was born in Chicago, and attended public schools there and at Three Oaks Michigan. He later attended Northwestern University where he studied transportation.

He first entered railroad work on the Chicago and Western Indiana Railroad in 1926, and from 1929 to 1946, he was a member of the Accounting Department of the Pullman Company of Chicago. He joined the public relations staff of the Illinois Central in 1946.

Mr. Carlsson is a member of the Public Relations Society of America, the Public Relations Clinic, the Publicity Club of Chicago, the National Press Club, the American Legion and the Federation of Civic Progress.

FORESTRY Notes

State Forester James W. Craig announced today the signing of an agreement between the Mississippi Forestry Commission and the Board of Supervisors of Stone County, whereby the Commission shall act as the Board's technical forestry agent in the management and marketing of timber and other forest products on 16th Section lands in Stone County.

Such an agreement is authorized under Senate Bill 1726, Laws of 1954, and Craig terms it "a definite step forward and a milestone in forestry in Stone County."

In initiating this agreement, the first of its kind, the members of the board, Otis M. Bond, president, John C. Dees, O. B. Brown, Billy Parker and Emmett Bond, have pioneered a move that will provide a two-fold benefit to Stone County. First, the full facilities of the Mississippi Forestry Commission will be at their disposal, with responsibility for carrying out the agreement resting not only on county personnel, but the entire Commission as well. And secondly, the Board may expend all funds received from timber and the sale of other products from 16th Section lands for the benefit of schools and roads, after the Commission's actual expense in carrying out its duties, not to exceed 10 per cent of sales, has been subtracted. Without such an agreement with the Forestry Commission, Boards of Supervisors may expend only the interest accumulated from such timber sales.

"The signed agreement between the Commission and the Board of Supervisors is to be in force for a period of six years, and is entirely mutual in nature," Craig said. "Neither the Commission nor the Board is empowered to act without first obtaining approval from the other," he added.

Craig said that approximately 8,000 acres of land come under the agreement. He said that one of the first moves to be made now will be the drawing up of forms and plans by which records can be most accurately and easily kept on each township within the agreement area, providing full information at all times as to the status of management and marketing work being carried out by the Commission.

Texas where several autograph parties have been planned honoring Mrs. Hall upon the publication of her novel, "House on Rampart Street." They will return to Waveland in about a week.

Many Subjects Explored In Studies Made In American Heart Association Projects

Much of the research to be undertaken under Grants awarded by the American Heart Association is of a fundamental long range character. It is designed to study the basic processes of the heart and blood vessels, the way the heart works, the way the blood flows, and the way the heart and blood vessels are affected by disease.

A number of such basic studies supported by the new awards are concerned with the chemical metabolism and electrical processes involved in heart muscle contraction, the pumping action of the heart, the way the heart works, the way the blood flows, and the way the heart and blood vessels are affected by disease.

Other projects will explore such subjects as the nature of blood clotting, the role of glands like the adrenals in the blood in maintaining or raising blood pressure, and the way the arteries function, damage to the arteries is often associated with cardiovascular disease.

In many studies, techniques based on the use of radioactive tracers will be employed. One project, concerned with the role of the kidneys in maintaining a normal balance of water and heat in the body, will use desert animals, including the camel, as its subjects. Data to be collected at a small station in the Sahara Desert.

These new grants also provide for an intensive inquiry into the nature of hardening of the arteries and deal with the concept that it may be associated with a flux in the way the body handles fatty substances. One approved project is concerned with possible relationships between the heart and the nervous system, and the development of the heart and the development of the heart.

Several other studies supported by the new awards concern rheumatic fever. One of these seeks to determine the ways of applying what has already been learned about rheumatic fever prevention.

Finally, awards are provided to continue a cooperative study by the American Heart Association, the British Medical Research Council, and other groups, on the relative effectiveness of the heart, lungs, and circulation, as compared with a synthetic system in treating rheumatic fever and preventing rheumatic heart disease.

New diagnostic techniques and the evaluation of new drugs are the subjects of several other approved projects. These studies will be carried out in the United States and in other countries.

THIS WEEK IN Farm Bureau

Action by Congress and the Farm Bureau will help to help the farmer in many ways. The Farm Bureau is working to help the farmer in many ways. The Farm Bureau is working to help the farmer in many ways.

Fifteen Mississippi Farm Bureau leaders attended the four-day training school to learn more about meeting the needs of the farmer. The school was held at the Southern Farm Bureau Training School at Davison, Ark.

It was pointed out that there are foreign markets sufficient to handle a surplus of most agricultural products. It was also pointed out that there are foreign markets sufficient to handle a surplus of most agricultural products.

Congress already has a plan for acceptance of local farm surplus. It was also pointed out that there are foreign markets sufficient to handle a surplus of most agricultural products.

Don Eubank, president of the Mississippi Farm Bureau Federation, discussed County Farm Bureau Committees for National Affairs.

ARTHRITIS?

I have been wonderfully blessed in being restored to active life after being crippled in nearly every joint in my body and with muscular soreness from head to foot. I had Rheumatoid Arthritis and other forms of Rheumatism, hands deformed and my ankles were set.

Limited space prohibits telling you more here but if you will write me I will reply at once and tell you how I received this wonderful relief.

NUGENT NINE DOWNS KILN

Four unearned runs in the fourth inning paved the way for the Nugent nine to defeat the Kiln Youth Center 4-2 Tuesday afternoon at the Youth Center field.

Russell Mitchell again gave an outstanding pitching performance as he allowed only two singles, struck out twelve, collected two doubles, himself, drove in one run and stole home for the first.

Two walks and two errors in the fourth proved fatal to the Kiln nine. Junior Bradus also hurled two-hit ball as he went the route to win for the Nugent squad.

Saturday Kiln will return the game at Nugent, and Sunday they journey to Pass Christian.

\$5,066.25 GRANTS IN AID AWARDED OLE MISS FOR HEART RESEARCH

ARTHUR C. GUYTON
A Grant-in-Aid award of \$5,066.25 has been made to Doctor Arthur C. Guyton, Department of Physiology and Biophysics of the University of Mississippi under the national research support program of the American Heart Association and its affiliates, it was announced today by Dr. W. K. Parks.

president of the Mississippi Heart Association. This award is part of the \$951,370.71 total which the American Heart Association and its affiliates have granted to research scientists working toward the prevention and control of heart and blood vessel diseases. The awards cover 169 studies to be conducted during the fiscal year beginning July 1, 1954.

Grants-in-Aid provide the tools of research—equipment, technical assistance and supplies to experienced scientists working on approved projects. They shield the research from the financial problems of the laboratory.

Dr. Guyton's grant will be used to study methods whereby the amount of blood pumped by the heart each minute can be recorded continuously. In making this announcement, Dr. Parks stated: "The total of awards made by the American Heart Association this year represent an increase of approximately \$150,000 over the sum allotted to the national program of research support last year. They bring to nearly \$8,000,000 the total the Association and its affiliates have provided for this purpose in the six years since

ATTEND STATE HOME DEMONSTRATION MEET

Hancock County was represented at the State Home Demonstration Council at State College last week by Mrs. Franz Wood, Mrs. G. W. Tucker, Mrs. Mary Rousseau, Mrs. K. T. Breland and Miss Sara Weaver. Mrs. Rousseau of Clarendon Harbor, president of Hancock County Home Demonstration Council, was official delegate. She was appointed on two committees, the Citizenship and Civic Education Committee and the Extension Committee. At the meeting Mrs. Rousseau gave an interesting report on the work of the program planning committee.

Mrs. Tucker, of Waveland, president of the State Home Demonstration Council, was awarded a certificate for outstanding work in Louisiana and Mississippi Home Demonstration Clubs and for 27 years of service. There were only 17 certificates awarded to members in Mississippi. Mrs. Breland participated in the State Cotton Style Show. She modeled

ALDEN R. TOCA, 41, FORMER RESIDENT, DIES IN N.O. SUNDAY

Alden R. Toca, 41, died in New Orleans at 7:45 p.m. Sunday, July 18. A native of Bay St. Louis, Toca was the son of the late Meta Moran and George J. Toca.

He is survived by his widow, Beulah LeBlanc Toca and two sons and two daughters, Sgt. Alden Toca Jr., USMC, Carl, Deborah and Jeannette Toca. He also is survived by one sister, Mrs. George Thelmann, and five brothers, George, Rex, Emile, Marcel and Harold Toca.

Funeral services were held Tuesday, July 20 from the funeral home of Jacob Schuen and Son, Canal St., New Orleans, with religious services at St. Rose de Lima Church.

A yellow cotton dress which won her first home at the Hancock County Cotton Show. Mrs. Breland carried a prize and a handkerchief she had made to match her dress and wore white gloves.

While there the group was privileged to hear Miss Francis Shudder, Chief of the Division of Home Economics, Washington, D.C.; Mrs. O. G. Rushing, Southern Director of Home Demonstration Work, and Miss Ruth Ethridge, who has just returned from two years' service in Home Demonstration Work in Cairo, Egypt. The group also attended the inauguration of President Ben Hiburn and a reception at his home.

'The Raid' Playing at Star Sunday and Monday

Van Heflin, Anne Bancroft, Richard Boone and Lee Marvin head the cast of "The Raid," Panoram Production's Technicolor drama which opens Sunday and Monday at the Star Theatre. The picture was inspired by a little known incident in the Civil War, the burning and looting of St. Albans, Vt., by a small band of Confederate soldiers. The raid, which was spectacularly carried out by the rebels on an afternoon in October, 1864, is authentically re-enacted in the picture. A full-scale replica of the little town of St. Albans was constructed by Executive Producer Leonard Goldstein for this exciting production and most of the action takes place in this huge set which covered several acres. As a climax to the story the whole town is put to flame and allowed to burn to the ground.

Frank Cockrell's screen play, which was based on Herbert Ravenal Sass' story, "Affair at St. Albans," dramatically shows how the group of rebels escaped from a Yankee prison in Plattsburg, N.Y., went into Canada and from there infiltrated the town of St. Albans. Their mingling with the local citizens, their methodical planning for the sacking of the town and their daring in carrying out the mission, which was to avenge the burning of Atlanta by Union troops, provides highly dramatic and suspenseful entertainment. Into all the excitement and action Cockrell wove a tender romance between Van Heflin, leader of the rebels, and Anne Bancroft as the attractive widow Bishop. Richard Boone as a reluctant Union Captain, adds to the conflict in the story and Tommy Rettig and Lee Marvin have important roles.

'Killers All' At A & G Monday for 1 Day Only

The famous motion picture road show, "Killers All," which will be at the A & G Theatre Monday, July 26, is the only authentic story of the sorry lives of infamous gangsters such as Bonnie Parker, gun crazy Clyde Barrow, John Dillinger, Pretty Boy Floyd and Machine Gun Kelly, who died this week in Leavenworth Penitentiary.

Bonnie Parker, who was known the world over as a cigar smoking gun moll killer, the only woman ever to fight beside her sweetheart, living and loving dangerously until she died in her sweetest, Clyde Barrow, was tricked by their best friend and were shot down in their Ford automobile in Ardmore, La.

John Dillinger, known all over the world as Public Enemy No. 1 because of bank robberies and murders, and who cost to society is estimated a million dollars from at least 12 bank robberies and the lives of at least 15 police officers and federal men during his reign of terror, until he was killed by federal men in front of a theatre in Chicago at 10:45 p.m. July 22, 1934.

You will see actual films of Dillinger's death in the motion picture "Killers All" coming to the A & G Theatre.

In conjunction with the picture "Killers All" the bloodstained, bullet ridden gangster's car in which Bonnie and Clyde were killed will be exhibited in front of the A & G, and there will be a \$5,000 lobby display, an exact replica of the electric chair in which Richard Huupman died for the Lindbergh kidnapping crime, and life-size wax figures of Bonnie and other gangsters.

Celebrates Birthday

Wallace J. Bourgeois, 11, of Waveland, celebrated his eighth birthday July 19 at his home in Waveland.

A birthday party with a large cake trimmed in red, white and blue carried out a patriotic color scheme.

Sandwiches, cakes, candy, punch and ice cream filled the many guests who attended.

Games were played and prizes given the winners. Linda Munch won first place prize and Sheldon Bourgeois of a second place prize.

Among those present were Barbara Norman, Debra and Charles Poolson, Mary Lou Herlihy, Aggie Bourgeois, Scott Miller, Mickey McGill, Jimmy Stieffel, Elaine Bourgeois, Condev, Sheldon and Earline Bourgeois, Earline Fehrenbach, Grace Ann Bourgeois, Geraldine Bourgeois, Marlon Bourgeois, Janet Fehrenbach, Evelyn M. Turcotte, Mr. and Mrs. C. E. Fehrenbach, Mr. and Mrs. W. Bourgeois, Mrs. Frank Bourgeois and Mrs. Charles Poolson.

Mrs. Rhea Bonck, who had planned to remain for several weeks in Bay St. Louis where she was a guest at the Reed Hotel returned Monday to New Orleans to be with her daughter-in-law, Mrs. J. H. Bonck, who the latter was hospitalized.

CHAIRMAN HERLIHY REVEALS TOTALS ON SAVINGS BONDS SALES

Fred Herlihy, Chairman of the Hancock County Savings Bonds Committee, has released the following figures on sales of Series E & H Savings Bonds for the month of June, and total sales—January through June, 1954. During June county sales were \$6,612; January through June \$24,150, which gives the county 16.1 per cent of its 1954 quota.

Figures for the state showed Mississippi as having a good record for June, \$2,363,636, giving total sales to \$15,839,988 for January thru June, or 49.8 per cent of 1954 quota. This is 13.3 per cent increase over same period of 1953, and 43.2 per cent above 1952 when we counted J. & K Bond sales.

Savings Bonds sales have been very much on the increase for the past few years. People are realizing the importance of having their savings in something safe, available if needed, and earn a good return. Savings bonds meet these requirements.

BENNETT-STIEFFEL WEDDING VOWS ARE EXCHANGED TUESDAY

A colorful wedding of mid-summer was that of Miss Merle Yvonne Bennett to Mr. Herbert Laurent Stieffel which took place Tuesday morning, July 20 at 10 o'clock at Our Lady of the Gulf Church.

The bride is the daughter of Lawrence C. Bennett of Pearllington and Mrs. Alden Bailey of Abita Springs, La. Mr. Stieffel is a son of Mr. and Mrs. Ray H. Stieffel of Waveland.

The bride was given in marriage by her father in a double ring ceremony at which the Rev. John Leonard officiated. The altar of the church was decorated with white summer flowers and palms. Organ music was played

by Professor Joseph Hemmersbach, and Mark Solomon sang "Ave Maria" and "O Lord, I am not worthy."

Miss Bennett entered the church on the arm of her father, radiant in a white satin gown trimmed with white tulle. The fitted bodice was fastened with self covered buttons of the material of the gown and completed with a large, brimmed, lace-trimmed veil. A pillow of lace embroidered with seed pearls held the veil of illusion to the head. She carried a cascade bouquet of white roses and fleur d'amour, with streamers of white satin ribbons tied into lovers knots.

The attendants of the bride wore summery frocks of pastel shades of organza over tulle slips. Made with fitted bodices and bouffant skirts, with off-shoulder boat necks, the picture was completed with large, brimmed, crownless hats made of material matching the dresses and slippers to match the frocks.

Mrs. T. L. Silbernag was matron of honor and wore pale blue. Bridesmaids included Miss Joyce Periniaro, who wore pink, Miss Huguette Dambrino, who wore yellow, and Miss Sue Smith in aqua.

The bridegroom selected Mr. Harvey Cole as his best man. Groomsman included E. J. Stieffel, New Orleans, a cousin of the bridegroom, and Richard Inglesbee and Charles Stieffel of Bay St. Louis. Ushers were Gene Watkins and Jacob Davidson.

A reception followed at Hotel Reed. Members of both families and immediate friends were present. The solarium of the hotel was adorned with posies and white flowers, and the bride's table was laid with an exquisite embroidered linen tablecloth. The three tiered bride cake was outlined with white stephinitis and flanked with silver candelabra holding lighted white tapers.

Mrs. Bailey, mother of the bride, and Mrs. Stieffel, mother of the bridegroom, received the guests with the bride party. Mrs. Bailey chose for the occasion grey organza worn with white hat and white accessories and a shoulder corsage of white carnations.

Mrs. Stieffel chose a jade green colored organza with hat and accessories in natural straw. She wore a corsage of yellow chrysanthemums.

For traveling the bride wore a yellow linen suit dress, with a white shoulder corsage. The couple will make their home in Oxford, Miss., where the bridegroom is a student at the University of Mississippi.

Out-of-town guests included Dr. and Mrs. Henry J. Lorenz, Miss Rose Lorenz and Mr. and Mrs. H. J. Lloranz of Shreveport, La. Mr. and Mrs. E. J. Thompson, Mr. and Mrs. E. L. Stieffel Sr., Mr. and Mrs. E. L. Stieffel groom, Mr. and Mrs. E. L. Stieffel II, Mr. and Mrs. B. G. Fowler and Mr. and Mrs. R. M. Kirst of New Orleans.

SON OF FORMER BAY MINISTER TAKES OWN LIFE

Hardy C. Clark, 25-year-old son of the Rev. Clyde C. Clark of Jackson, was found shot to death in a downtown hotel room in New Haven, Conn. Sunday.

New Haven police labeled the death as suicide. A .38 calibre pistol was found lying beside the body. Death resulted from a shot in the head.

Young Clark, who had graduated from Vanderbilt University and entered Yale Law School about a year ago, had been a patient the last few months in a veterans hospital in West Haven, undergoing treatment for a mental illness.

He entered the hotel two days preceding his death, using an assumed name and giving his address as New Orleans.

His body was discovered by a window washer, who entered the locked room after a maid reported she could not gain entrance to clean the room.

Reverend Clark and his family are well known in Bay St. Louis, where he served as pastor of the Main Street Methodist Church.

In addition to his parents, survivors include a brother, the Rev. Roy C. Clark of Jackson, and two sisters, Miss Sarah Frances Clark, Jackson, and Mrs. Charles Ratcliff, Mobile, Ala.

The body was returned to Jackson for final rites. Minister shrdlu cmfwyp cmfwyp mm

EDWARD PERRY TO ARRIVE TOMORROW AT LEGION BOYS NATION

Edward Samuel Perry, 510 S. Beach, will arrive in Washington, D.C. tomorrow with approximately 90 other young men from virtually every state in the country, to participate in the American Legion's Citizenship training program, Boys Nation.

Boys Nation founded by the Legion in 1946, is designed to acquaint American youth on a "learn-by-doing" basis the organization and functions of the Federal Government.

During his eight-day stay in the nation's capital, Perry will set up with the other Boys Nation delegates, a mythical U. S. Senate, and a "junior" Supreme Court.

The teenage delegates will form their own cabinet, and will elect their own President and Vice-President.

Highlight of Perry's visit to Washington during Boys Nation will be his call on President Eisenhower, Secretary of State John Foster Dulles, and members of the Senate and House of Representatives.

Perry was appointed to attend Boys Nation following the Magnolia Boys State. His trip to Washington is being sponsored by Clement R. Bontemps, Post 139 in Bay St. Louis.

Perry was elected Governor of Mississippi during the Magnolia Boys State meetings.

Perry will be quartered on the University of Maryland campus in nearby College Park during his eight-day stay in Washington.

He will leave for home July 30.

City Expresses Thanks For Cooperation During Hospitality Week Fete

Mayor John Scalfide and Commissioners J. Cyril Glover and Sylvan J. Lader this week expressed thanks to merchants, organizations and individuals of Bay St. Louis who cooperated in last week's "Hospitality Day."

Mayor Scalfide told the EAGLE that he personally felt that "nothing finer could have been done to establish good will for Bay St. Louis."

"The hospitality shown by those who cooperated so wholeheartedly with us in this program," the Mayor said, "have made the name of Bay St. Louis synonymous with goodwill among a group of persons whose recounting of the gestures extended them here will travel to all parts of the country."

The Mayor said he hoped that Bay St. Louis would become known nationally as a city of progressive and courteous residents "eager to welcome the nation at large to visit with us."

"With such excellent cooperation in this, the first year of Bay St. Louis' participation in the State Hospitality Program, we feel that each successive year will reap growing results," the mayor said.

FATHER OF LOCAL WOMAN DIES FRIDAY

John W. Bense Sr., father of Mrs. Roy Craft, died Friday, July 16 at 11:50 p.m. at Tuoro Infirmary in New Orleans. Funeral services were held Sunday afternoon, July 18 at 4:00 from the house of Bultman, with interment in Lafayette Cemetery No. 1.

Besides his daughter, the deceased is survived by Mrs. O. J. Mader, Ashley C. and John W. Bense Jr., daughter and sons of New Orleans. Buffet Dinner

The Rev. and Mrs. C. S. Schultz were hosts to the official board of the Methodist Church Friday evening, July 16.

Tables were set on the lawn of the Schultz home on Second St., with arrangements of summer flowers forming centerpieces. A long side table held the same floral arrangement as used on the dining tables, and hurricane lamps held lighted candles.

Following the dinner the guests adjourned to the parsonage where a business meeting of the Board was held for the purpose of electing officers for the ensuing year.

Elected were Sam Jeffcoat, chairman, Herbert Wise, vice-chairman and Robert Jones, secretary.

K C's TO SPONSOR TWO EVENTS

A dance sponsored by the Knights of Columbus will be held Saturday night, July 24 at the K C Hall on Main Street. Funds raised from this event will be given to Alvin Kingston, a member of the organization, who has been hospitalized for several months with a fractured leg.

The K C organization also is sponsoring a spaghetti supper at the Hall, on Tuesday, July 27, from 5 p.m. until 9 p.m.
